

GLUTEN FREE ALTERNATIVES

Listed below are menu suggestions that we trust contain no known traces of gluten. Please be aware that, because of logistical constraints, Connors cannot maintain separate, sterile, grill & frying areas for the preparation of the numerous items that could cause allergic reactions. We will assume no liability for the possibility that traces of gluten may be transferred in the grilling or frying process or the use of utensils in accordance with our normal cooking procedures. This could potentially result in an allergic reaction causing discomfort or gastric distress.

Also be aware that our service staffs are not experts in food allergies or diseases related to allergies, nor do they possess an involved knowledge of all ingredients within products or seasonings. Therefore, any questions concerning our menu should be directed to the manager on duty or to our Corporate Office.
